

COOKIES POLICY

FIBI (hereinafter, the “**HOLDER**”) informs, through this Cookies Policy, about the use of data storage and recovery devices in Users' terminal equipment.

1.- What are cookies?

Cookies are files that are downloaded to the User's computer/smartphone/tablet when accessing certain web sites and/or applications that allow the storage of preferences in the User's navigation, making the interaction between the User and the Platform faster and easier.

The information collected by the cookies is anonymous and does not contain any sensitive information as they do not collect any data that could personally identify the User. In any case, the User may access the settings of their browser to modify and/or block the installation of the Cookies sent from the Platform, without losing access to the contents.

2.- Why does the HOLDER use cookies?

In accordance with Law 34/2002, of the 11th of July, on information society services and electronic commerce (hereinafter, “**LSSI**”), this Platform uses cookies or other information storage and retrieval devices to track Users' interactions with the services offered on the Platform.

Cookies allow the recognition of a User's browser, as well as the type of device from which the Platform is accessed and are used to facilitate the User's next visit and make the Platform more useful.

The HOLDER uses cookies to:

- (i) Optimise user navigation by monitoring the session.
- (ii) Collect information to optimize navigation and improve the Platform.

The cookies that the platform uses are the following:

- **Strictly Necessary Cookies:** Cookies that are strictly necessary to provide a service or content requested by the user. These take care of technical aspects such as identifying records and managing tool preferences in the use, interaction and location of access to content.

Name	Purpose	Expiration	Supplier

- **Functional Cookies:** Functional cookies give the user information that enriches the browsing experience, such as geolocation cookies to store geolocation data on the device and thus offer the user the services according to how close they are.

Name	Purpose	Expiration	Supplier

- **Statistics/analytics Cookies:** These cookies collect information regarding the use of the platform such as permanence on the platform and content visited by readers to measure performance and improve navigation.

The main objectives pursued with this type of cookie are:

- To allow the anonymous identification of the browsing Users and therefore the approximate counting of the number of visitors.
- Identify anonymously the most visited contents.
- To know if the User who is accessing is new or repeats a visit.

The following are the analytical cookies used on the Platform (example)

Name	Purpose	Expiration	Supplier
_ga	This Cookie is used to distinguish users	2 years	Google Analytics

_gat	This Cookie is used to limit the percentage of requests.	1 minute	Google Analytics
_gid	This Cookie is used to distinguish users	24 hours	Google Analytics

3.- How do I disable cookies?

The cookies that are not mandatory for the navigation of this Platform may be disabled in the settings of the Platform. These settings can be found in the Platform footer. In addition, all browsers allow the user to make changes in order to disable the use of cookies.

This is why most browsers offer the ability to manage cookies, to gain more precise control over privacy. These settings are located in the "options" or "preferences" of your browser menu.

Below, you will find the links for each browser to disable cookies by following the instructions:

- Internet Explorer <https://goo.gl/iU2wh2>
 - In the tools menu, select "Internet Options".
 - Click on the privacy tab.
 - You can set privacy with a six-position cursor that allows you to control the number of cookies that will be installed: Block all cookies, High, Medium High, Medium (default level), Low and Accept all cookies.
- Mozilla Firefox <http://goo.gl/QXWYmv>

 - Select Options.
 - Select the Privacy panel.
 - In the Firefox option you can choose to use a customised configuration of your history, as well as other issues related to your Privacy.
- Google Chrome <http://goo.gl/fQnkSB>
 - Click on the menu located on the toolbar.

- Select Configuration.
 - Click on Show advanced options.
 - In the selection "Privacy" click on the button Content Settings.
 - In the selection of Cookies, you can set the options.
- Safari <https://goo.gl/PcjEm3> ; <https://goo.gl/dQywEo>
- In the settings menu, select the "Preferences" option.
 - Open the privacy tab.
 - Select the option you want from the "block cookies" section.
 - Remember that certain functions and full functionality of the Platform. may not be available after cookies are disabled.

If you do not want to be tracked by cookies, Google has developed a plug-in to install on your browser that you can access at the following link: <http://goo.gl/up4ND>

4.- Cookies on mobile devices

The Platform owner also uses cookies or other storage devices on mobile devices.

The cookies that are not mandatory for the navigation of this Platform may be disabled in the settings of the Platform. These settings can be found in the Platform footer. In addition, as with computer browsers, mobile device browsers allow you to make changes to your privacy options or settings to disable or delete cookies.

If you wish to change your privacy options, follow the instructions specified by your mobile browser developer.

Below are some examples of links that will guide you to modify the privacy options on your mobile device:

- IOS: <http://goo.gl/61xevS>
- Windows Phone: <https://goo.gl/tKyb0y>
- Chrome Mobile: <http://goo.gl/XJp7N>
- Opera Mobile: <http://goo.gl/Nzr8s7>

5.- Acceptance of cookies

This Platform does not install our cookies on users' devices until they have accepted their installation.

We inform you that in the event of not accepting the installation of cookies or disabling any of them in the settings, certain services might not be available or you will not be able to access certain services or take full advantage of everything this Platform has to offer.
